Customer Approval

This digital proof is printed on a paper media, using paper-compatible inks. The final product will be printed on a different media, using different type of inks. Full concentrated effort is given to provide our customers an excellent Color Match in our final product. Our customer's signature constitutes your authorized acceptance of size, layout color and font selection. Your signature also signifies your final approval for Can-One USA to proceed to the final production of our customer's cans.
